INABURRA UNIFORM GUIDELINES YEARS 7-9

HOW TO WEAR THE SCHOOL UNIFORM

SCHOOL BLAZER - For students in Year 3 to Year 12, the blazer is the uniform outer layer for warmth. Additionally, Inaburra jumpers and vests are available and they can be worn as a warm layer underneath the blazer, but not worn on their own. There will be occasions throughout the year where students are expected to wear the blazer, and this will be communicated at the time.

Exceptions to this rule may include Year 12 students wearing the 'Graduating Class of' Jersey, days when the sport uniform is worn, or during specialised lessons nominated by the teacher. Students in Kindergarten to Year 2 are not required to wear the blazer during the school day, but are expected to wear the blazer as the outer garment when traveling to and from school (if required for warmth).

BOYS' SHIRT - Shirts must be tucked in, top button done up and the tie straight and neat.

LENGTH OF GIRLS' SKIRT/CULOTTES/ SHORTS - Girls' skirts, culottes and shorts must be knee length, i.e. touch somewhere on their knee. Girls are not to roll the waistband of their skirt, culottes or shorts to shorten the overall length.

GIRLS' BLOUSE - The girls' blouse is not intended to be tucked in. It should be worn loose over the skirt/shorts/pants.

GIRLS' BLOUSE TOP BUTTON - The girls' blouses have a navy top feature button. This button needs to be worn closed.

BOYS' CHARCOAL GREY TROUSERS - Senior boys must own a pair of trousers. Trousers will be compulsory throughout the school year at specific events including, but not limited to, formal assemblies, school photographs, when representing the school and some excursions. Students will be advised beforehand when trousers are required.

HOW TO WEAR THE SPORT UNIFORM

SPORTS UNIFORM* - Students must wear the Inaburra branded sports polo shirt, sports shorts, sports socks and school cap. Sports shorts must be the correct length – between the mid-thigh and the knee. For cooler weather there is also an optional sports tracksuit which can be worn all year round. The tracksuit top must be worn to and from school rather than a jumper or vest. The tracksuit may be worn over the sports shorts and polo and taken off during the day. The sports tracksuit jacket and pants can be worn as separates.

* PDHPE, PASS or other active practical lesson. Those days will be indicated by the class teacher ahead of time.
